Prince Patel

SDE Intern @ Bluestock™ | Machine Learning, Fine Tuning
Greater Surat Area

Summary

Currently contributing as an SDE Intern at Bluestock™, leveraging knowledge in machine learning, fine-tuning, and data analytics to support innovative projects and problem-solving initiatives. This role complements academic progression in Computer Science at P P Savani University, where studies are ongoing with an expected graduation in March 2028. Certifications in Data Analytics, Machine Learning, and Business Intelligence have strengthened technical capabilities, including proficiency with LM Studio and Ollama. Dedicated to advancing skills and contributing to data-driven solutions, with a focus on impactful decision-making processes in technology and analytics.

Experience

Bluestock™
